PROFILE

A Hong Konger Just move to UK since Feb 2022 via BNO VISA. Have right to work and right to live. Currently working in Paradox studios as a Website Developer.

Before I move to the UK, I completed the Diploma in AI and Programming at Tecky Academy and which is a Level 5 Endorsed Course by TQUK.

After I quit my accounting job and start as a Freelance Web Developer. My latest project was a membership & event management system for a Hong Kong Non-Governmental Organization - The Hong Kong Federation of Youth Groups. It requires using React and React Native to complete. It has been deployed as a web page, and also there is an application for IOS and Android. I am capable to complete on front-end and back end.

As a Website Developer, I response
